Kelvin and Phoenix.

It permits Miami  
County to build  
short-cut roads to  
Winkelman, Hayden,  
Kelvin, Ray and Su-  
perior. It gives a  
short-cut route to Gila,  
Graham, Greenlee and  
Apache counties.

It opens up the Miami mar-  
ket, the biggest new copper  
camp in the United States  
and saves its business to Arizona.
